Letter from the Collector of South Kanara, Roffce.12540-4 dated 29-11-45:-

The tendency on the part of some landholders to delay the payment of land revenue as long as possible, still continues and the realisation of the dues without having recourse to coercive processes prescribed under the Revenue Recovery Act has been found impossible in spite of the increase in the price of agricultural produce. The necessity for issuing demand notices is also great in the case of absentee landholders who do not pay till they are forced to. A large number of processes has therefore to be prppared and entered in the process registers in addition to the consequential correspondence that is found necessary till the arrears are collected.

2. This work is very considerable and cannot be attended to by the regular staff without serious detriment to their normal work and will result in delays in the realisation of arrears. The number of land sales held in Kasangod Taluk has remained almost steady. Though the prices of agricultural produce were high last year, the issue of processes could not be reduced. Last year the employment of a Special staff in connection with the land revenue collections was sanctioned for a period of 4 months i

in this district being G.O. Ms. No.580 Rev. department dated 22-3-1945. (X)
the last kist month in this district being May, the No.4 notices issued in the month of May become ripe for the issue of notices Nos.5 and 7 and the subsequent land sales only in the months of June, July & August.

3. Owing to the above reasons, I consider that the employment of a Process Attender on Rs. 19-30 per mensem for a period of 5 months from 1-2-46 to 30-6-1946 in each of the Taluks of Puttur, Mangalore, Karkal, Udipi and Coondapur is necessary in the current year in the interest of speedy collection of land revenue and request that the Board may be pleased to recommend to the Government accordingly.

4. The additional work connected with land revenue collections which the regular staff will not be able to do in Kasargod Taluk will be attended to by Process Amins and Process Servers appointed by me under B.S.O.No.46.

Submitted to the Government.

2. The Board supports the Collector's proposals for the employment of one process attender on Rs.19-30 per mensem for a period of 5 months from the date of employment in each of the five taluks viz., Puttur, Mangalore, Karkal, Udipi and Coondapur.
